

### FEATURES

- Storage Pods for on-site installation are a beautiful and easy to install addition to Samuel Mueller solid surface walls. Vertical storage pods install between studs. Add solid surface material to either B for back wall only or BS for back & side walls of storage pods to either match or coordinate with wall colors.
- Vertical storage pods include 3/8" tempered glass shelves with locking clip. Shelves are cut with 1/4" clearance to allow water to run behind the shelves.
- Vertical storage pods are available in 3 finishes: brushed stainless steel(BS), PVD finishes(CB), Powder Coated finishes.
- Pods have a 1/2" brushed stainless steel flange surrounding the pod for a clean finished look.
- LED Lighted Pods option available. Pods have a waterproof light strip on top side of pod. Pods can be Direct Current (DC) lighted which includes transformer and driver with an 8 ft. cord with illumination of lights triggered from a motion sensor built into the storage pod.
- 10 Year Limited Residential Warranty / 3 Year Commercial Warranty
