

FEATURES

- Dome Top for use with Direct-to-Stud shower walls only.
- Thick 1/4" 100% solid surface material bonded to an 1-1/4" thick aluminum honeycomb polyurethane filled backer for superior strength. Solid surface material is easy to clean and will not support bacteria growth.
- On-site installation. Dome Top slides in place and sits on top of the shower walls forming a complete 8' shower enclosure. The dome contains waterproof UL approved 12 volt LED light(s) (40 year life)
- 10 Year Limited Residential Warranty / 3 Year Commercial Warranty

COLORS

- 3 Transitions colors with a 16" x 16" square tile pattern.

INSTALLATION NOTES

This product is to be installed according to these installation instructions. Deviating from these instructions may result in improper fit of dome.

LED LIGHT SPECIFICATIONS

Dimensions: Hole 80mm
Outside Diameter 94mm
Height 43mm

Color: warm white

Beam Angle: 120-180 degree all-round lighting

Operating voltage: 100-240V

Power Consumption: 3W

Ring Color: Matte Silver

Body Material: Precision Aluminum

- Dissipates heat quickly through aluminum enclosure
- Easy to install and virtually maintenance-free
- Illumination can be adjusted (0-180 degrees)
- New type of green light source; high energy saving & eco-friendly
- High efficiency – long lifespan
