

1. General Description
  - a. Offset hand hold device
2. Item Codes and Descriptions
  - a. 01750 . . . 24" cranked grab bar
  - b. 01760 . . . 18" cranked grab bar
3. Physical Characteristics
  - a. Made of cold drawn mild steel tube
  - b. Protected with polyester epoxy powder coating
  - c. Finishing process includes rust inhibitor treatment
  - d. Grip diameter: 1"
  - e. Distance from grab bar to wall: 2"
  - f. Color: white
  - g. 2 mounting holes at each end
  - h. Mounting flanges are offset from grip area
  - i. 275 lb. load rating when properly fastened
  - j. Fasteners not included
  - k. Use of #10 round head fasteners recommended (use stainless fasteners for wet area installations)
4. Performance Characteristics
  - a. Offset design allows user to step through a doorway without releasing grip
  - b. Narrow mounting profile allows installation where other grab bars won't fit
  - c. For indoor use
  - d. Must be fastened to properly installed wood blocking, studs, or other substantial material
5. Other Information
  - a. Conforms to 96 hour salt spray test (ASTM B117-87)
  - b. 10 year limited warranty for residential use
  - c. 5 year limited warranty for commercial use
