

1. General Description
 - a. Hand hold device
2. Item Codes and Descriptions
 - a. 01200 . . . 12" flat end grab bar
 - b. 01210 . . . 18" flat end grab bar
3. Physical Characteristics
 - a. Made of tubular stainless steel
 - b. Protected with polyester epoxy powder coating
 - c. Grip diameter: 1"
 - d. Distance from grab bar to wall: 1⁵/₈"
 - e. Colors: white and brown
 - f. 2 mounting holes at each end
 - g. Mounting flanges are in-line with grip area
 - h. 275 lb. load rating when properly fastened
 - i. Fasteners not included
 - j. Use of #10 round head fasteners recommended (use stainless fasteners for wet area installations)
4. Performance Characteristics
 - a. No rust construction
 - b. Narrow mounting profile allows installation where other grab bars won't fit
 - c. May be installed outdoors and in wet locations
 - d. Must be fastened to properly installed wood blocking, studs, or other substantial material
5. Other Information
 - a. Conforms to 96 hour salt spray test (ASTM B117-87)
 - b. 10 year limited warranty for residential use
 - c. 5 year limited warranty for commercial use
