

HEATER HAULER[®] **SYSTEM**

The exclusive Heater Hauler[®] System from Bradford White makes the removal of water heaters clean, safe and easy. This vinyl-laminated nylon bag keeps liquids, oils and grease from damaging floors and carpets. With a full Velcro opening it's convenient to use and the durable, heavy-duty design results in reliable and repeated use. Simplify your next replacement with the hassle-free Heater Hauler System.

- Facilitates removal of residential water heaters up to 80 gallons (303 liters) (maximum recommended weight - 250 lbs. 113 kg.)
- Heavy duty, vinyl laminated nylon construction with full velcro opening
- Double stitched heavy duty top & side handles
- Helps eliminate damage to floors and carpets during removal
- Liquids, oils and grease will not penetrate
- Resists mildew, tearing, rotting and fire
- Reusable
- Recommended for use with hand truck to prevent injury
- Made in U.S.A.

Caution:
To prevent damage, do not
drag over abrasive surfaces
