This exploded view diagram illustrates the assembly of a water tap. The components are numbered as follows:

- 1**: The upper cylindrical body of the tap.
- 2**: A decorative or functional ring that fits between the upper and lower bodies.
- 3**: The lower, square-shaped base of the tap.
- 4**: Two small screws used to secure the base plate.
- 5**: A long, threaded rod that passes through the base and the ring.
- 6**: A decorative cap or plug that fits onto the end of the threaded rod.

Dashed lines indicate the alignment and assembly path for the components.
