USHER IN A NEW ERA

Maris Fraganite Collection

HOME IN HARMONY

As we juggle family, work, and everyday life, balance becomes our greatest ally. Whether cooking our favorite weeknight meals, creating lasting family memories, juggling meetings, or finding beauty in the quiet moments, our homes should bring us the peace, inspiration, and comfort needed to find modern balance.

We've entered a new era of living, where balance means everything. In this age, we don't just hope for harmony, we create it.

As we begin to rethink what home means to us, we find we deserve more than just four walls and a roof to eat and sleep under.

Our homes have become our offices, our classrooms, and our community centers all in one—at the heart of it all, we look to our kitchens to support a more conscious way of living.

Through clever features, unparalleled function, and elegant design, Franke Maris Fraganite sinks are created to empower your contemporary idea of balance.

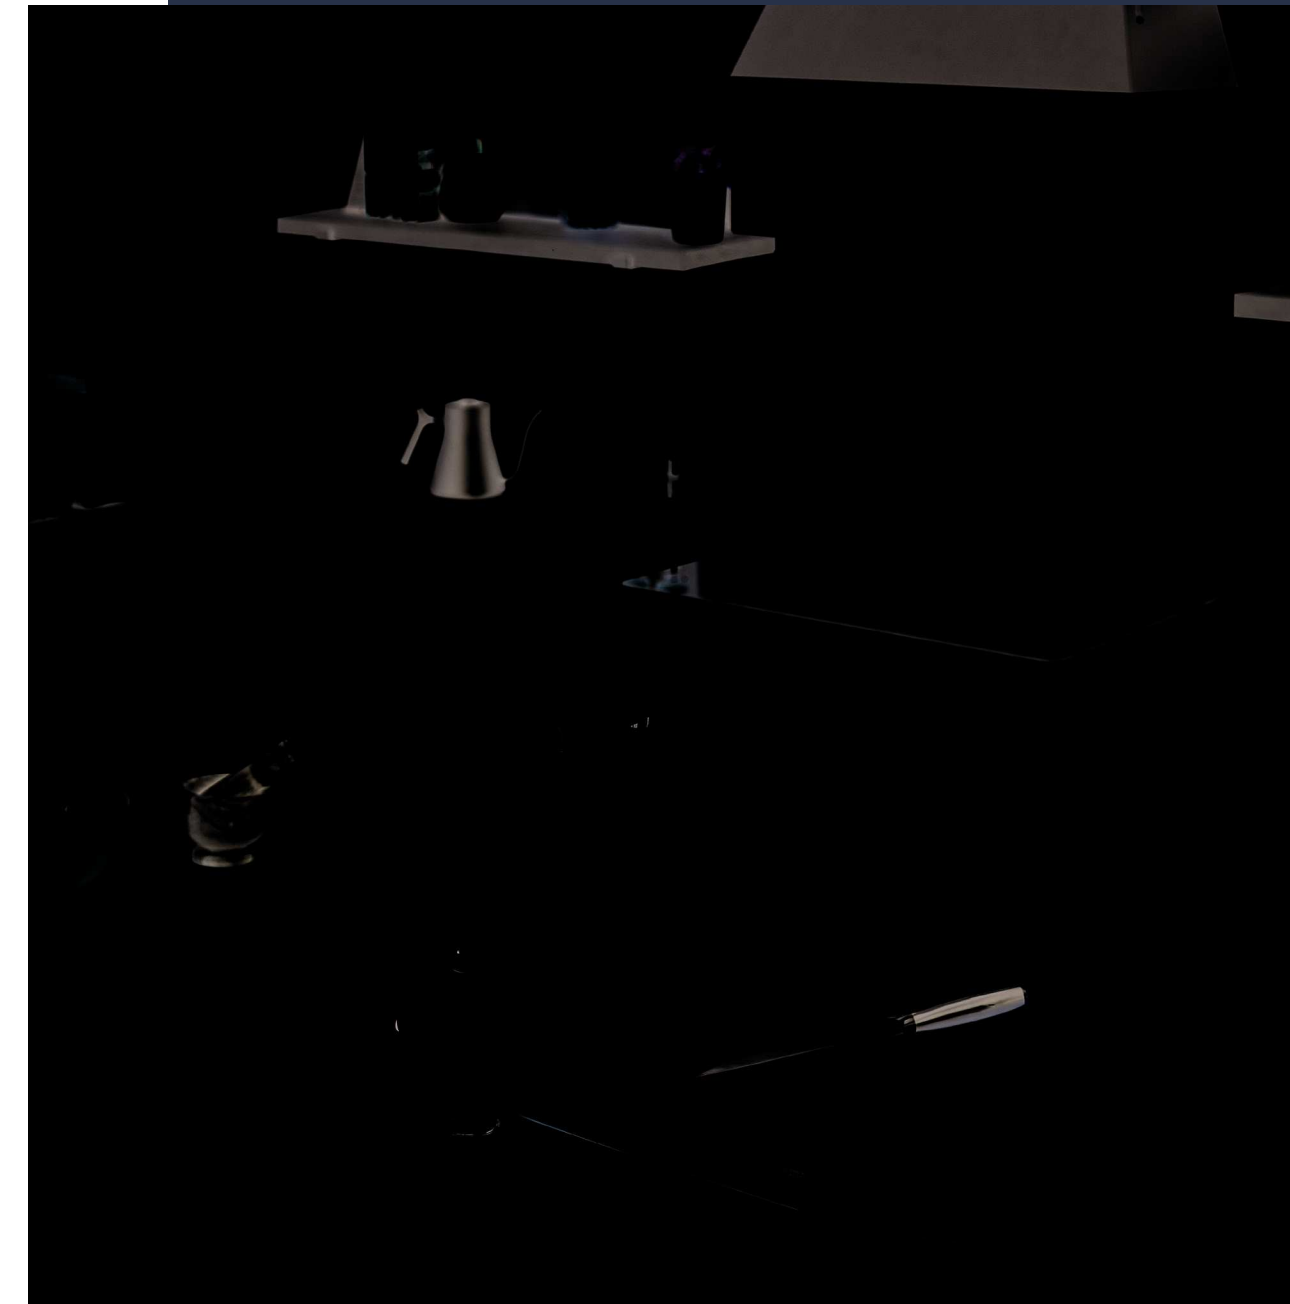

EVERYDAY USE

BUILT FOR BALANCE

Life happens in the kitchen and your sink is at the center of the action. Whether prepping for a weeknight meal, entertaining friends and family, working from home, or cleaning up after dinner, Franke Maris Fraganite sinks are designed to fit seamlessly into your ever-changing lifestyle with innovative features and timeless design.

INTEGRATED FOR BALANCE

Organization is at the heart of balance. With our easy-to-use integrated ledge system, you'll accomplish more with your sink while making the most of your surrounding counter space.

WASH, PREP, WORK AND LIFE.

Custom fit cutting boards, roller mats and colanders are designed to keep all your kitchen tasks within reach.

LOW DIVIDE, DEEP CAPACITY

MAKE YOUR SPACE WORK FOR YOU

It's no secret that your kitchen can get messy in the blink of an eye. But with a low-divide sink you can keep your mess in check. The double bowl allows you to multi-task with ease, while the low divide creates a larger single bowl perfect for cleaning oversized cookware and bakeware.

Maris sinks are equipped with deep capacity bowls that can easily fit baking trays, pots and pans to be washed with maximum ease.

UNIQUE BENEFITS

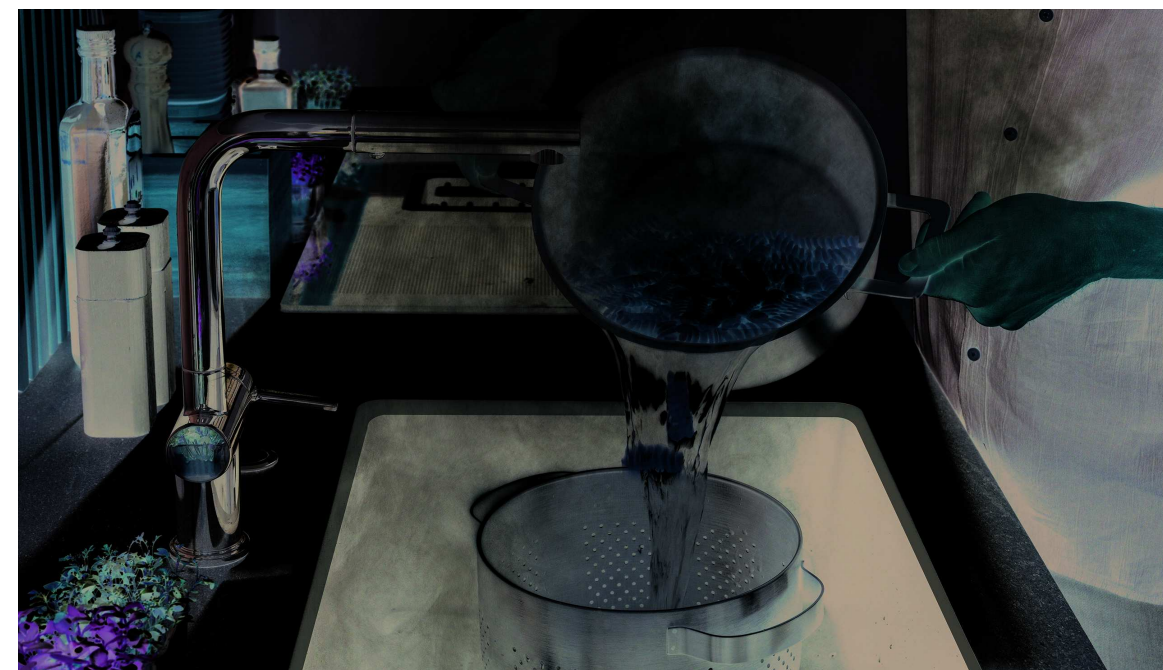

A FRESH START IN EVERY DETAIL

What would a sink be if it wasn't easy to clean? Our Fraganite sinks are simple to wash and particularly hygienic thanks to their smooth finely textured surface, which naturally hinders the growth of bacteria and microbes.

ELEGANCE THAT ENDURES

Scratch and stain resistant Fraganite is engineered to perform. Durable and beautiful, your sink will retain its elegance for years to come.

MADE TO HANDLE THE HEAT

Able to withstand temperatures up to 536°F to protect against thermal shock, discoloration, and cracks from hot pots and pans.
