

Dual-Flush Actuators for Geberit Sigma Concealed Tanks, 2x6 Installations

Product Specifications

Actuators for concealed tank and carrier system. Actuator flush plates and push buttons shall be glass, zinc die-cast, molded plastic or fabricated stainless steel and plated to guard against scratches. All components shall be compliant with applicable codes and product standards.

Warranty

One-year warranty on actuator flush plates.

Features

- Designed to maintain appearance push after push
- Moving parts are accessible behind actuator flush plate

- Made of glass, molded plastic, zinc die cast or stainless steel and plated
- Available in a variety of unique combinations of finish/color
- Incorporates water saving possibilities with dual-flush buttons of 1.6 GPF (6 LPF) or 0.8 GPF (3 LPF) giving an effective flush volume of 1.1 GPF (4 LPF)
