

ZipWall® Standard Zipper – 2 Pack

Create an entry in a plastic barrier in seconds

Self-adhesive zippers attach to plastic sheeting and create an entry in a plastic dust barrier wherever you need it. Flap hooks hold entryway open for easy access. Includes two zippers and two flap hooks.

Note: The patented ZipperKnife™ does not come with nor works with this product.

This product is perfect for short, light traffic jobs.

Two ZipWall® standard zippers create a hands-free entry – simply roll up the flap and hold the door open using two flap hooks. This hands-free door can be as wide as needed to get equipment and supplies in and out of the worksite.

Contents: Two zippers and two flap hooks. *ZipperKnife™ sheeting cutter does not come with or work with this zipper.*
