None Applicable

See website for detailed warranty information.

16"W x 20"H aluminum single-door cabinet with mirrored door K-99889

Technical Information

All product dimensions are nominal.

Notes

Install this product according to the installation guide.

CAUTION: Risk of electric shock. Electrical wiring may need to be relocated.

IMPORTANT! For recess mounting, the wall cavity must be framed and cabinet secured to framing studs. Reroute any electrical wires or water supply piping from the wall cavity. If you encounter drain or vent piping, or if your wall is load-bearing, consult a professional before proceeding.

When determining the height of the cabinet, ensure the mirrored door will clear all obstacles (such as a faucet). A minimum distance of 3" (76 mm) is required.

This cabinet is designed for either right or left door swing. Check for obstructions.
