

# Trielle® Pull-Down Kitchen Faucet K-R18594-SD

#### **Features**

- Single lever handle is simple to use and makes adjusting water temperature easy.
- High-arch swivel spout and 360-degree spout rotation offer superior clearance for filling pitchers and cleaning.
- Two-function pull-down sprayhead with touch-control allows you to switch from stream to Sweep® spray.
- DockNetik®, a magnetic docking system located within the spout, smoothly glides and securely locks the sprayhead into place.
- ProMotion<sup>™</sup> technology's light, quiet nylon hose and ball joint make the pullout sprayhead easier and more comfortable to use
- MasterClean<sup>™</sup> sprayface features and easy-to-clean surface that withstands mineral buildup.
- KOHLER finishes resist corrosion and tarnishing.
- Includes soap/lotion dispenser.
- Ceramic disc valves exceed industry longevity standards, ensuring durable performance for life.
- Installs with 1-, 2-, 3-, or 4-hole sink (adapter plate included).

#### Material

Constructed with premium materials for durability and reliability.

## Installation

- Flexible supply lines and quick connect fittings make installation easy.
- Longer shank works with countertops up to 2 1/2" thick and is easy to install. Simply hand-tighten and secure with a screwdriver.
