KOHLER® Plastic Baths and Shower Bases Lifetime Limited Warranty

No change in measurements if connected with drain illustrated. (K-7161-AF)

 Recommended Faucet Location

Installation

- Drop-in

Installation Notes

Install this product according to the installation instructions.

Measure your actual product for rough-in details.

The hot water supply should be 70% of the capacity of the bath or greater. Installations will vary.

If installing a rim-mount faucet, make sure there is no interference above or below the deck before drilling any holes.
