Your journey down the path to quality and affordable cabinetry starts with us.

In the heartland of America, life is pretty simple.
We value nature, hard work, attention to detail
and fair pricing. When you add all of this to
timeless designs with a modern flair, you get
Kountry Wood Products.

Your home reflects your good taste, so don't settle for
less than the quality, versatility, durability and value of
Kountry Wood Products...

Beautiful. Functional. Built to Last.
Right at Home in Your Home.

"KITCHEN CABINETS WORTH OWNING"

Thank you for considering Kountry Wood Products for your cabinetry needs.

For 18 years, Kountry Wood has been manufacturing stock kitchen and bathroom cabinetry in Nappanee, Indiana - The Heartland of America. We are a family-owned business that values the heritage of our country.

Our business was founded on the basic philosophy of building a quality product, selling it at a reasonable price and providing excellent customer service.

As you look through our brochure, you will see numerous styles of cabinetry to fit your individual needs from traditional to contemporary styles. We also offer many options to give your room a customized look.

We take our business seriously by providing American workers jobs in our community and by purchasing material from local suppliers. We are certified by the KCMA Environmental Stewardship Program, and reviewed annually to meet or exceed standards of air quality, product resource management and environmental stewardship to ensure a sustainable product for years to come.

We hope that you find our products to be the right choice for you.

Sincerely,

Your journey on the path to exceptional cabinetry leads to Kountry Wood Products.

Our rich heritage and traditional woodworking methods, our craftsmen use native hardwoods, hands-on construction and the highest quality finishes to create cabinetry designed for the way you want your home to look, feel and function.

You don't have to look far to see the quality. The same features found in high-end fine furniture... mortise and tenon joints and dovetails...are standard in Kountry Wood cabinets.

You'll also find extras you might not expect in stock cabinetry...like undermount soft-close drawer glides, crown molding and decorative end panels.

Discover the differences. Experience the beauty. Enjoy all the options.

Feel right at home in your personalized kitchen or bath. Kountry Wood...right at home in your home.

Kountry Wood Products...More Than Just Cabinetry

When you select a Kountry Wood product, you are assured of receiving fine craftsmanship, quality and service. We place the utmost value on building kitchen and bath cabinetry that will not only meet but exceed your expectations. All our products are built here in America with clear attention to detail and quality.

-  **Timely delivery of finished products**
-  **Continually growing to meet customer needs**
-  **Quality guarantee**
-  **Service after the sale**

As close to perfection as nature will allow.

At Kountry Wood Products we take our commitment to the environment very seriously. That's why our certification from the Kitchen Cabinet Manufacturers Association (KCMA) for our environmental stewardship is so important to us. That certification assures you that we are fulfilling our role in providing you with sustainable cabinetry products. KCMA's Environmental Stewardship Program goes beyond the basics of raw material sourcing and management to set manufacturing and recycling standards that help sustain clean air, water and land. For all of us.
