SA10372

Flexible 16.4' 24W 300 Diode IP65 Strip Light - These versatile LED Strip Lights come in a 16.4' roll that allows for easy custom installs. The flexible design is a favorite among designers who love the ability to attach it to almost any flat surface. Ideal for kitchens and baths, the adaptable clear plastic coating protects the diodes without interfering with the lighting effectiveness. Extremely low power usage grants the user many hours of guilt-free task or display lighting, and does so without generating excessive heat. Available in warm white.
