### Notes

Install this product according to the installation guide.

**WARNING:** Risk of personal injury. Unless properly installed, the grab bar may not adequately support the weight of the user.

**Custom Walls** – Fasten grab bar directly to studs when possible. If not possible, install a 1" x 6" blocking board to studs prior to installing wallboard and finished wall material.

**Sterling Age-in-Place Surrounds** – Obtain backer board locations from the specification sheet for your model to select the appropriate grab bar size.
