

Valton®
MasterShower® transfer valve trim
T33598-4

Features

- Single lever handle controls flow to two or three outlets
- Coordinates with other products in the Valton collection

Material

- Premium material construction with metal handle ensures reliability and durability
- KOHLER finishes resist corrosion and tarnishing

Installation

- Trim only; requires valve to complete installation (sold separately)
- Patented K-joint installation technology ensures consistent trim appearance, regardless of variability in valve rough-in (included with trim)
