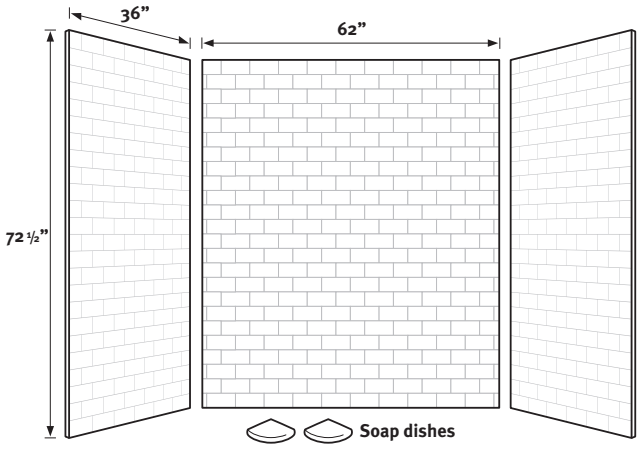
STMK72-3662 Swanstone Subway Tile Bath Wall Kit

WARRANTY
Limited Lifetime – Residential
Limited 25-year – Commercial

Manufactured from Swanstone solid surface
(see page 2 for detailed information.)
Recommended for high-use traffic areas and commercial surfaces.

FEATURES

- Classic look of 3 x 6-inch subway tile provides timeless elegance for your bath.
- No grout to maintain; will not mold or mildew.
- Ideal for remodeling; easier to install than tile—panels glue up over existing surface.
- Coordinates with other Swanstone bath products.
- Heat resistant—walls can handle steamer units.
- Compression molding means superior durability.



Designed to fit base areas
36" deep or smaller x 62" wide x 72-1/2" high or smaller
(914 mm x 1575 mm x 1829 mm)

For a complete list of tests and results see the Technical Data Sheet.

SUPPORT DOCUMENTS

Installation instructions available at **swanstone.com**.

MAINTENANCE AND CLEANING INFORMATION

Clean regularly with common household liquid cleaners and rinse within five minutes of application. Occasional scrubbing with abrasive cleaners ensures that the original luster will be maintained. **Do not** use “leave on” cleaning products, such as automatic spray shower cleaners. Prolonged contact with harsh chemicals could have an adverse reaction over time and discolor surfaces. **Do not** use cleaning agents that caution use on acrylic, polyester or plastics.
