

SQMK96-3662

Swanstone Square Tile Bath Wall Kit

Manufactured from Swanstone Solid Surface

Recommended for high-use traffic areas and commercial surfaces.

FEATURES

- Chamfered-edges on the 12-inch square tile pattern provide the high-end look of travertine.
- No grout to maintain; will not mold or mildew.
- Color and texture run all the way through and cannot wear away.
- Ideal for remodeling; easier to install than tile—panels glue up over existing surface.
- Coordinates with other Swanstone bath products.
- Heat resistant—walls can handle steamer units.
- Compression molding means superior durability.
- Warranty: Limited Lifetime – Residential
Limited 30-year – Commercial

ES-2

International Association of Plumbing and Mechanical Officials (IAPMO)—Listed

cUPC listed—Certified to CSA Test Standard B45.5 by IAPMO

Uniform Plumbing Code (UPC)

For a complete list of tests and results see the Technical Data Sheet.

MAINTENANCE AND CLEANING INFORMATION

Clean regularly with common household liquid cleaners and rinse within five minutes of application. Occasional scrubbing with abrasive cleaners ensures that the original luster will be maintained. **Do not** use "leave on" cleaning products, such as automatic spray shower cleaners. Prolonged contact with harsh chemicals could have an adverse reaction over time and discolor surfaces.

Do not use cleaning agents that caution use on acrylic, polyester or plastics.

SUPPORT DOCUMENTS
