

FEATURES:

- Single compartment, multi-purpose sink manufactured from an innovative foam process. The polypropylene structural composite sink utilizes this unique molding process, producing seamless corners and edges while providing unrivaled strength. Heavy gauge steel legs with leveling studs.
- Convenient accessories include a bottle holder, drying rack, front and side towel holders, p-trap and supplies. (Models SM-19-FA & SM-19-FC2 only)
- Leak-proof, integral molded-in drain with stopper.
- Single lever faucet with dual function pull-out spray. Swivel spout. Brass construction. 1.8 gpm max (6.8L/min) - saves 20% more water. Polished chrome finish. (model SM-19-FC2 only)
- Large, self-draining back shelf with retainer curb that prohibits water run-off except into tub.
- Easy to assemble and install.
