

Tankless Combi-Boiler Package

- ✓ Pre-Assembled for FAST, EASY Installation
- ✓ Saves Time and Money
- ✓ Factory Tested for Peace of Mind
- ✓ Space Saving 30" Design
- ✓ Instant, Endless Hot Water

TP-A6 PACKAGE FEATURES

- Navien NCB-240/240E gas combination boiler. Ultra-condensing efficiency (95% fuel savings) provides money and energy savings over traditional water heaters.
- Taco VT2218 external ECM high-efficiency circulator pump. Saves up to 85% of electrical energy compared to conventional pumps.
- Heavy duty forged brass air separator. Reduces noise, improves system efficiency and operation, reduces wear on system components, requires no regular maintenance.
- 4 gallon Expansion Tank with quick connect that allows for easy maintenance or replacement.
- 1/2" check valve to prevent water from system to enter the domestic water.
- Full-port ball valves allow easy maintenance and isolation.
- Stainless steel 6 loop manifold is equipped with air bleeder, supply flow meters, purge valves, shut-off valves, and temperature gauge for easy system control and maintenance.
- Pro-press copper piping and fittings. 3/4" and 1/2" pro-press copper fittings provide secure connections and a professional look.
- 60"H x 30"W x 30"D Aluminum Racking allows for flexible placement. It provides strength and durability while keeping the weight at a minimum.
- 10 Year Heat Exchanger Warranty, 5 Year Parts Warranty and 1 Year Labor Warranty.
